

Marina Bay Sands, Singapore, Nov. 21-23, 2019

Science and Technology for Humanity

Themes:

- Artificial Intelligent
- Biomedical Sciences
- Biotechnology
- Diseases and Human Health
- Drug Discovery
- Food, Agricultural and Plant Sciences
- Chemistry, Chemical Biology and Biological Chemistry
- Physics, Biophysics and Medical Physics
- Environment
- Renewable Energy
- Petrochemical
- Materials, Biomaterials and Drug Delivery
- Information Technology
- Mechanical and Aerospace Engineering
- Electric and Electronical Engineering
- Computer Science and Engineering

AKC2019 is designed to simulate the creation, discussion and explanation of innovative and inspirational research topics in science and technology.

AKC2019 organizing committee would like to invite prospective authors to submit their abstracts for oral or poster presentation based on but not limited to the outlined themes in the conference program.

Interested authors should note the following

- Authors should submit a 200 to 300 words abstract, type written in English
- Abstracts must be submitted online
- Please submit Abstract by 22 September 2019

IMPORTANT DATES

- Online Abstract Submission Start: 25 May 2019
- Closing of Abstract Submission: 22 September 2019
- Notification of Acceptance: 30 September 2019
- Conference: 21-22 November 2019
